**Laurence H. Boggeln, MD,**  
**The Elizabeth Hospice**

### **The Impact of Palliative Care and Hospice on Survival and Quality of Life in Adults with Cancer**

Studies show that patients with advanced cancer who receive outpatient specialty palliative care live longer and enjoy a better quality of life. Dr. Boggeln will share these studies and discuss the role that The Elizabeth Hospice, Michelle's Place, and Temecula Valley Hospital play in supporting patients and families in our community impacted by cancer.

**Laurence H. Boggeln, MD**, is a hospice and palliative care physician for The Elizabeth Hospice, a leading healthcare provider in San Diego and Southwest Riverside Counties. He received his medical degree from St. Louis University Medical School and completed his residency in family medicine at the Naval Hospital, Camp Pendleton. He has been caring for patients in the Southern California community for the past 35 years. Dr. Boggeln serves on the Board of Directors of Temecula Valley Hospital, is a palliative care specialist at three Riverside hospitals and is a founding member of Elizabeth Supportive Medical Specialists.
