Clean makeup lines

- Thrive
- Advanced Mineral Makeup
- 100% Pure
- Bare Minerals
- La Bella Donna
- Milk Makeup
- Well Beauty
- Mary Kay (Natural Line)
- Burt's Bees

Please make sure the products you want to try are approved by your treating physician.

The FDA is very lax on classifying skincare and makeup products so don't trust (Natural Makeup, Organic, Clean Makeup, etc.) Some clean makeup lines I looked at had perfumes, chemicals and preservatives that are toxic.
